

Insect Control Barriers **AUTOMATIC ROLL-UP**
DEFENDOR® BUGUARD™

Key Features

- Vinyl-Coated Polyester Screen
- Aluminum Side Tracks
- Soft-Bottom Foam Cushion
- Angled Weather Stripping
- Single Phase In-Tube Motor

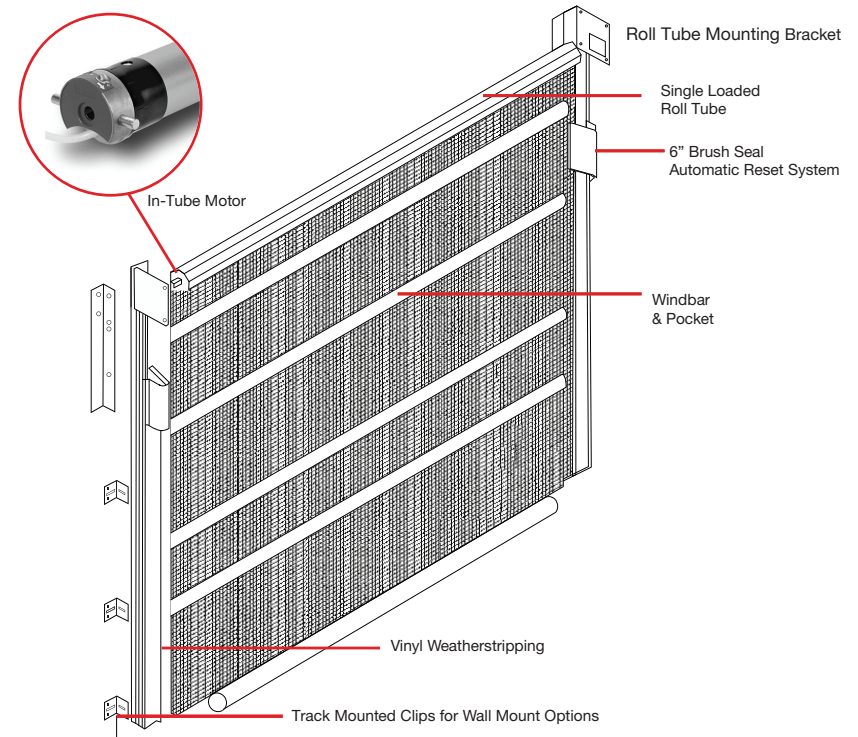

Major Benefits

- **Proven Safety:**
Engineered for warehouse and loading dock openings at packaging and processing facilities that rely on strict pest control.
- **Superior Efficiency:**
Reliable motor and built-in automatic reset system delivers convenient one-touch activation for streamlined operations.
- **Reliable Durability:**
Tight-weave mesh and foam bottom cushion ensures long-lasting performance in demanding industrial environments.

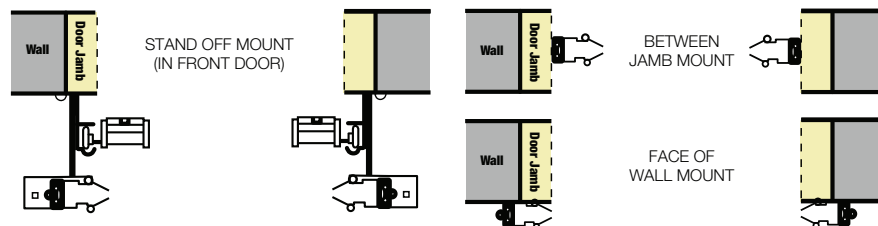

■ Technical Specifications

Maximum Sizes	14' W (4267mm) x 14' H (4267mm)
Opening Speed	Up to 12"/sec (0.31 m/s).
