High Speed Doors FOOD-MASTER™

SPEED-COMMANDER®1400 SEL19

Key Features

▌ Nylon-Reinforced Vinyl or Polyurethane Curtain

▌ Galvanized or Stainless Steel Hood and Guide Tracks

▌ Direct-Drive Panel Operation

▌ Touchless Sensor Activation

▌ NEMA 4X Control Station

Major Benefits

▌ **Proven Performance:**
Operating speeds of up to 80 inches per second reduce harmful air infiltration within processing environments.

▌ **Enhanced Sanitation:**
Stainless steel construction and food-grade materials ensure sanitary efficiency for rigorous wash-down applications.

▌ **Exceptional Durability:**
Heavy-duty steel guide tracks and a 2 to 5-year warranty on components, materials, and workmanship deliver low cost of ownership.
