

Sectional Door INSULATED **STEEL DOOR**

Key Features

- Pre-Painted Galvanized Steel Curtain
- Foamed-In-Place Insulated Sections
- Insulated Custom Window Options
- Impact-Adjustable Bottom Sections
- Manual Chain Hoist or Automatic Operator

Major Benefits

- **Advanced Performance:**
High R-Value and eco-friendly insulation properties prevent heat and cold air transfers, delivering consistent energy savings.
- **Reliable Efficiency:**
Solid steel construction and heavy-duty hardware deliver smooth operation, low maintenance, and a long lifecycle.
- **Proven Security:**
Customizable vision panels provide natural light penetration while allowing an unobstructed view of traffic conditions.
